Preliminary Program

**Monday, June 17**

FOCISed Courses
8:00 am – 5:00 pm

Basic Immunology in Medicine: Update 2019 Course (separate registration required)
8:00 am – 5:00 pm

Systems Immunology Course (separate registration required)

**Tuesday, June 18**

Member Society Symposia
8:00 am – 12:00 pm
Announced in December 2018

Member Society Symposia
12:45 – 4:45 pm
Announced in December 2018

Opening Keynote Address
5:30 – 6:15 pm
Laurie Glimcher, MD, Dana Farber Cancer Institute

Opening Reception & Poster Presentations (authors present)
6:15 – 7:45 pm

**Wednesday, June 19**

Plenary Sessions
8:00 – 9:30 am

Cancer Immunotherapy: Light the Fire
Speakers announced in fall 2018

10:00 – 11:30 am
Metabolic Control
Hongbo Chi, PhD, St. Jude Children's Research Hospital
Additional speakers announced in fall 2018

Lunch Programs
11:45 am – 1:00 pm
Announced in February 2019

Updated October 8, 2018
Thematic Symposia
1:00 – 2:45 pm

Myeloid Cells in Human Disease
Kenneth Walsh, PhD, Boston University
Gwendalyn Randolph, PhD, Washington University
Additional speakers announced in fall 2018

Xenobiology and Generation of Tissue for Transplantation
Muhammad Mohiuddin, MD, University of Maryland
Additional speakers announced in fall 2018

Immune Barriers to Protein/Gene Replacement Therapies
Federico Minguozzi, PhD, Spark Therapeutics
Additional speakers announced in fall 2018

Oral Abstract Sessions
3:15 – 5:15 pm
Announced in March 2019

Robert B. Nussenblatt Presidential Lecture
5:30 – 6:15 pm
Hans Clevers, MD, PhD, University Hospital Utrecht

Exhibits and Poster Reception (authors present)
6:15 – 7:30 pm

FOCIS Member Reception
7:30 – 8:30 pm (FOCIS members only)

Thursday, June 20

Plenary Sessions
8:00 – 9:30 am

Cytokine Therapy
Paul Ridker, MD, Brigham and Women’s Hospital
Warren Leonard, MD, National Heart, Lung, and Blood Institute/National Institutes of Health
Additional speakers announced in fall 2018

10:00 – 11:30 am

Tissue Resident Immunity
Deepak Rao, MD, PhD, Brigham and Women’s Hospital
Donna Farber, PhD, Columbia University
Additional speakers announced in fall 2018

Lunch Programs
11:45 am – 1:00 pm
Announced in March 2019

Thematic Symposia
1:00 – 2:45 pm
Humanized Mouse Models of Immune Disease
Jordan Pober, MD, PhD, Yale University
Karolina Palucka, MD, PhD, The Jackson Laboratory
Additional speakers announced in fall 2018

Immunotherapy for Allergic Disease
Speakers announced in fall 2018

Aging/Senescence: Immunology of the Ages
Arya Biraygn, PhD, National Institute on Aging
Additional speakers announced in fall 2018

Oral Abstract Sessions
3:15 – 5:15 pm
Announced in March 2019

State of FOCIS Address by FOCIS President
5:30 – 5:40 pm
Jeffrey Bluestone, PhD, University of California, San Francisco

Keynote Address
5:40 – 6:25 pm
Mark Davis, PhD, Stanford University

Exhibits & Poster Session (authors present)
6:25 – 7:30 pm

Friday, June 21

Plenary Sessions
8:00 am – 9:30 am
Epigenetics to Dissect Immune Cell Identity in Health and Disease
Speakers announced in fall 2018
10:00 am – 11:30 am

**Immune Checkpoints: Autoimmunity, Cancer and Infectious Diseases**

*Jane Grogan, PhD, Genentech*

*Additional speakers announced in fall 2018*

---

**Thematic Symposia**

1:00 – 2:45 pm

**Primary Immune Regulatory Disorders: A Novel and Emerging Class of Primary Immunodeficiencies**

*Megan Cooper, MD, PhD, Washington University*

*Additional speakers announced in fall 2018*

---

**The Effects of Stromal and Myeloid Cells on Immune Inflammation**

*Michael Brenner, MD, Brigham & Women’s Hospital*

*Miriam Merad, MD, PhD, Mount Sinai School of Medicine*

*Additional speakers announced in fall 2018*

---

**Next Generation Cytokine Therapies in the Clinic**

*Dominique Baeten, MD, University of Amsterdam*

*Additional speakers announced in fall 2018*

---

**Oral Abstract Sessions**

3:15 – 5:15 pm

*Announced in March 2019*
